

## ACADEMIC COLLEGES

Arts and sciences

Engineering

Business administration

Agriculture

Human ecology

Education

Technology and aviation

Veterinary medicine

Architecture, planning & design

# EXPLORE ACADEMIC MAJORS AND OPTIONS.

## MANHATTAN CAMPUS

### Majors

Accounting  
 Agribusiness<sup>^</sup>  
 Agricultural communications and journalism  
 Agricultural economics<sup>^</sup>  
 Agricultural education  
 Agricultural technology management<sup>^</sup>  
 Agriculture, general (undeclared)  
 Agronomy<sup>^</sup>  
 American ethnic studies<sup>^</sup>  
 Animal sciences and industry<sup>^</sup>  
 Anthropology<sup>^</sup>  
 Apparel and textiles (apparel design and production, apparel marketing)

Architecture\*  
 Architectural engineering\*  
 Art<sup>^</sup> (art history, ceramics, digital/experimental media, drawing, graphic design, metalsmithing and jewelry, painting, photography, printmaking, sculpture)  
 Athletic training\*\*  
 Bakery science and management<sup>^</sup>  
 Biochemistry (molecular biophysics, medical biochemistry)  
 Biological systems engineering\* (biological, environmental, machinery)  
 Biology<sup>^</sup>  
 Biomedical engineering\*  
 Chemical engineering\*  
 Chemistry<sup>^</sup>

Civil engineering\* (construction, environmental, general, structures)  
 Communication sciences and disorders  
 Communication studies (legal, organizational, political, relational)  
 Computer engineering\*  
 Computer science\*<sup>^</sup> (computer science, software engineering)  
 Construction science and management\*  
 Dietetics (coordinated, didactic)  
 Early childhood education  
 Economics<sup>^</sup>  
 Education, elementary  
 Education, secondary (art, biological sciences, business, chemistry, earth and space sciences, English, English/journalism, journalism,

mathematics, modern languages, physical education/health, physics, social studies, speech)  
 Electrical engineering\*  
 Engineering, general\* (undeclared)  
 English<sup>^</sup> (literature, literature and creative writing, literature with teaching certification)  
 Entrepreneurship<sup>^</sup>  
 Family and consumer sciences education  
 Feed science and management<sup>^</sup>  
 Finance (controllorship, financial management, financial services)  
 Fisheries, wildlife and conservation biology (biodiversity and conservation, fisheries

wildlife ecology and management)

Food science and industry<sup>^</sup>

Gender, women and sexuality studies<sup>^</sup>

Geography<sup>^</sup> (pre-planning)

Geology<sup>^</sup>

History<sup>^</sup>

Horticulture<sup>^</sup> (golf course and sports turf operations, horticulture production, landscape horticulture and horticultural sciences)

Hospitality management<sup>^</sup>

Human development and family science

Human ecology (undeclared)

Interior architecture and product design<sup>\*</sup>

Interior design<sup>\*</sup>

Industrial engineering<sup>\*</sup>

Interdisciplinary majors (humanities, life science, physical science, social science)

Journalism and mass communications (advertising and public relations, electronic, print and online journalism)

Kinesiology<sup>^</sup>

Landscape architecture<sup>\*</sup>

Management (organizational management, human resources management, operations and supply chain management)

Management information systems

Marketing

Mathematics<sup>^</sup> (actuarial and applied)

Mechanical engineering<sup>\*</sup> (nuclear engineering)

Medical laboratory science

Microbiology

Milling science and management

Modern languages (French, German, Spanish)

Music<sup>^</sup> (composition, instrumental performance, music theatre, vocal performance)

Music education

Nutrition and kinesiology (dual degrees)

Nutrition and health

Nutritional sciences (pre-medicine and other health sciences)

Open option (undeclared)

Park management and conservation

Personal financial planning

Philosophy<sup>^</sup>

Physics<sup>^</sup>

Political science<sup>^</sup>

Professional strategic selling

Psychology

Regional and community planning<sup>\*</sup>

Social work

Sociology (criminology)

Statistics and data science

Theatre

Wildlife and outdoor enterprise management<sup>\*</sup>

## Health professions

Pre-athletic training

Pre-chiropractic

Pre-dentistry

Pre-health information management

Medical laboratory science (medical technology)

Pre-medicine

Pre-nursing

Pre-occupational therapy

Pre-optometry

Pre-pharmacy

Pre-physical therapy

Pre-physician assistant

Pre-respiratory therapy

Pre-veterinary medicine

## Secondary majors

Biological engineering

Gerontology

Global food systems leadership

International studies

Latin American studies

Natural resources and environmental sciences

## Program options

Pre-law

ROTC programs (Army and Air Force)

University Honors Program

## Minors

*See majors also available as minors, designated with<sup>^</sup> symbol.*

Aerospace studies

African studies

Aviation safety

Business

Cereal chemistry

Chinese

Classical studies

Communication studies

Community planning

Conflict analysis and trauma studies

Dance

East Asian studies

Entomology

Exploration and environmental geophysics

French

German

Grain handling operations

International agriculture

Japanese

Jazz studies

Leadership studies

Manufacturing systems

Mass communications

Nuclear engineering

Pet food science

Plant pathology

Queer studies

Russian

South Asian studies

Spanish

Spanish translation

Statistics

Unmanned aircraft systems

## OLATHE CAMPUS

### Major

Hospitality management (degree completion)

## POLYTECHNIC CAMPUS

### Majors

Airport management

Applied business

Aviation maintenance management

Computer systems technology

Digital media technology

Electronic and computer engineering technology

Human development and family science

Mechanical engineering technology

Professional pilot

Social work

Technology management

UAS design and integration

UAS flight and operations

Web development technology

## GRADUATE STUDY

75 master's and 45 doctoral programs

*\* Admission to these programs is selective.*

*\*\* Admission to this program is selective for transfer students.*

*<sup>^</sup> Program is also available as a minor.*

**Find your passion.**
