TRANSFER ADMISSION PROCEDURES/QUALIFICATIONS

- Students interested in applying to the University of Arkansas should begin the application process a semester before they anticipate starting here. Students applying for **Summer/Fall** are urged to apply in the early Spring semester around January. Regular Fall applications will be accepted until August 1. Students applying for **Spring** are urged to apply in the early Fall semester around August. Final deadline for Spring semester applications is December 15.
- Application Process: When you are ready to apply to the University of Arkansas, your first step is to set up a New Student Center account. The New Student Center is a central location where you can get important news about your application, register for orientation, and view any missing requirements we might need to finish reviewing your application.
 - To set up your New Student Center account:
 1. Go to our [Application Center](#).
 2. Select "Create an account" (under the "First-time users" heading).
 3. Enter the requested information. For the email address, be sure to use a personal email address that you will have access to at all times, even after leaving your current institution.
 4. Check the email account you entered for a message from the Office of Admissions with the subject line "University of Arkansas Online Registration," and follow the steps listed there. Take note of the PIN included in this message – it is your temporary password to activate your account. [See a screenshot of a sample message.](#)
 5. Follow the "Activate Account" link in this message to activate your account and establish a password.
 - Once you have established a New Student Center account, you are ready to complete an [application for admission](#). Be sure to keep a close eye on your email and regularly log in to your New Student Center account to check for updates regarding your application.
