Email: education@umkc.edu
Homepage: <https://education.umkc.edu/>

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

All UMKC undergraduate degrees require at least 120 credit hours; some programs may require more hours. Students must complete at least 30 credit hours at UMKC and at least 12 upper division credit hours in their major department /program at UMKC to be eligible to receive an undergraduate degree from the University of Missouri-Kansas City.

General UMKC Transfer Admission Requirements:

- 2.0 or higher cumulative GPA.
- Credit/No-credit or Pass/Fail coursework may only be applied to elective coursework and will not apply towards UMKC's General Education Core or major requirements. *(UMKC did allow Credit/No-credit or Pass/Fail for Spring 2020 coursework. Please see specific program for transfer guidelines.)*
- Equivalent courses may be repeated but all grades will be averaged for GPA calculation purposes and students will only receive credit for one attempt.
- Full transfer admission requirements can be found at: <https://www.umkc.edu/transfer/apply.html>

School of Education Admission Requirements:

- The Early Childhood Education program is for those who want to be certified to teach or work with children from birth through age eight (3rd grade). This degree program places student teachers in one of our nine partner school districts and emphasis is on teaching within urban or diverse settings.
- Transfer students need to have an overall 2.75 GPA on a 4.0 scale in all coursework.
- The School of Education will calculate the highest grade of a course in the GPA if it is repeated before beginning at UMKC.
- Courses used toward certification must receive a letter grade of C or higher (C- or lower will not count toward certification). Credit/no credit is not accepted.
- Completion of all education and content area courses with grades of C or better is required.
- All general education courses and Teacher Education program courses listed in this guide should be completed prior to admission to the Professional Program.
- **Students who are considering transferring to the UMKC School of Education are encouraged to contact the office of Student Services to create a personalized academic plan to ensure a smooth transition to UMKC.**

General Education Requirements for Transfer students:

All UMKC undergraduate students complete general education requirements. Completing an Associate of Arts (A.A.) degree or the Associate of Science (A.S.) at JCCC will satisfy all general education requirements at UMKC, including the Constitution requirement. JCCC students transferring to UMKC without completing the A.A. or A.S. will have the option to elect to complete either the UMKC Essentials or the Missouri Transfer (MOTR) Core 42 curriculum to meet general education requirements. **Students pursuing UMKC School of Education programs should plan coursework based on fulfilling MOTR Core 42 requirements to ensure smooth transfer.** Credit by Exam, Transfer credit, or Dual High School academic credit will apply to the UMKC Essentials program in a way that optimizes the student's prior educational experience.

To learn more about these two options and UMKC general education requirements, including how transfer coursework applies to specific general education requirements, please refer to <https://www.jccc.edu/student-resources/academic-counseling/transfer/files/transfer-guides/umkc-general-education.pdf>

It is the STUDENT’S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
