² Current High School Student counts include those students who are in High School and enrolled in a JCCC course/s

**Fall 2020 registration deadlines were extended beyond census for our Concurrent Enrollment/High School Populations due to Covid. Due to the extension & other enrollment obstacles associated with COVID-19, majority of high school students did not enroll until after census. The sharp decline at census for this population had an impact on a variety of metrics. Additionally, COVID-19 impacted Fall 2020/21 enrollment broadly. It is estimated that 4,130 high school students would have been enrolled as of FL20 census had it not been for obstacles associated with the pandemic.
