Old Business

The meeting minutes from the August 10 meeting were posted on InfoHub.

New Business

Guest: Hadra Brown - Acadeum

Hadra Brown, Regional VP of Academic Partnerships, provided the deans with an overview of the course sharing model offered by Acadeum. The deans discussed the pros and cons of entering into a relationship with Acadeum including the volume of students anticipated, the role of home versus teaching institutions, reporting processes, transcript/grade entering processes, financial aid implications, and the time/cost that would need to be dedicated to building the internal framework to effectively support an Acadeum partnership.

Action Item: Anne will arrange a meeting between Hadra Brown and Student Services to further explore the potential partnership.

Guest: Pam Vassar and Justin McMillan

Pam Vasser introduced Justin McMillan, Coordinator of Student Rights and Responsibilities. He outlined his role at JCCC as both a resource for students as they navigate college policies and procedures and as the contact for conduct/academic integrity issues. He is developing a reporting mechanism for tracking repeat offenses by an individual student. He encouraged the deans to be in touch with any questions or concerns.

Class Caps Spring 2021 (Mary)

With the information that is available today, spring 2022 is being planned with the class caps that were in place pre-Covid.

Remote Work Schedule Options

The deans discussed remote working options and best practices by division. Mickey will be clarifying some outstanding questions with HR before approving any division proposals.

The meeting adjourned at 3:25 p.m.
