The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses

Why Major in Family and Human Services at Washburn?

Students who are interested in Addiction Counseling should see our [Career Ladder in Addiction Counseling](#) for more information. Students who are interested in Family Services may work toward obtaining a Certificate in Family Life Education from the National Council on Family Relations.
