New Business

Plan My Classes Demo

Alex Wells and Cathy Mahurin provided an overview and brief demonstration of the Plan My Classes tool. The product is currently in the pilot stage with ongoing testing of the functionality and data integrity. Additional training will be available throughout the full implementation cycle.

Honors Update

Anne Dotter provided an update on operational changes in the Honors program related to the Honors designation on courses as well as streamlined registration processes.

The meeting was adjourned at 3:10 p.m.
