The Animation degree is a 4-year program from the start of the Foundation studios. Students that transfer with the Foundation studios completed should expect 3 more years to complete their degree at KU. Students that do not have the Foundations year completed at the time of transfer should expect 4 years to complete their degree at KU. All studios are on a Fall/Spring sequence and cannot be taken out of sequence.

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see JCCC A.A. degree requirements. The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is between 60 and 63 credit hours or 50% of the degree. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.
