TUITION/FEES/EXPENSES

Tuition/Fees/Expenses:

- The University of Missouri Board of Curators has approved a new tuition to simplify students' bills and eliminate course fees.
- For undergraduate students, there are three tuition tiers. The tier is based on a student's degree plan. Mizzou will also implement a plateau (a flat rate charge) for students who take 12 to 18 credit hours per semester. Students should continue to work with their academic advisors to create course schedules most appropriate to their learning needs and programs of study. Full-time enrollment for undergraduate students is defined as 12-18 hours per term.
