

F. W. Huston Medical Center Dietary Manager opening.

We are a rural hospital with an attached Senior Living Center located in Winchester, KS. Within the facility, we have a Dietary team of seven individuals that cook and serve all meals within the organization. Our current opening would require a certified individual capable of managing the team, coordinating day-to-day operations, completing routine food orders, and meeting with a contracted dietician regularly. This position would start at \$25/hr and moves up on an experience scale.
