

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

### Admission Requirements for New Transfers

To qualify for admission, a transfer student must have a minimum cumulative college grade point average of a 2.0 on a 4.0 scale. Students with less than 24 college credits will be required to submit additional information including a final high school transcript, General Education Diploma (GED) or high school equivalency diploma and ACT scores before they are considered for admission.

*If a student does not meet any of the requirements above, the admission application will be reviewed individually before an admission decision is made.*

### New Transfer Student Application Procedure

1. Complete the Undergraduate Application for Admission. Apply online at <http://www.pittstate.edu>.
2. Request that official transcripts from all previously attended institutions be sent directly to Pittsburg State University. Acknowledging your attendance at an institution is mandatory, regardless of your wishes to transfer the credit. Failure to disclose attendance at an institution may disqualify your admission application. Official transcripts received for evaluation of transfer credit will be considered to be a complete academic record from that institution up to and including the last completed semester as listed on the transcript. Subsequent official transcript/transcripts from the same institution showing additional previously completed work will not be accepted. Please note: for federal financial aid requirements, once your courses are assessed by our Registrar's Office, transferable hours totaling less than 60 requires that a final high school transcript or a copy of your current high school equivalency diploma be on file in the Office of Admission prior to any aid disbursement.
3. Apply for federal financial aid by completing the Free Application for Federal Student Aid (FAFSA) available at <http://www.fafsa.gov>. Pittsburg State University's Title IV code is 001926.
4. Complete the Pittsburg State University scholarship application at <https://www.pittstate.edu/admission/scholarships-financial-assistance.html> by February 1st for first consideration.
5. Submit the Proof of Immunization Compliance Form to the Bryant Student Health Center. To access the form and for more details on required immunizations, please visit <https://www.pittstate.edu/office/health-services/>.
6. Register to attend the program called Transfer & Adult Student Orientation. Information regarding this program is mailed to all newly admitted undergraduates. For more information visit <https://www.pittstate.edu/success/new-student-orientation-pitt-cares.html>.

The minimum requirements for graduation include: 120 credit hours; 60 credit hours must be from a four-year school. In addition, a minimum of 45 credit hours must be upper-division and a minimum of 30 hours must be in residence at Pitt State.

- Effective Fall 2024: Students transferring to Pitt State, with an AA, AFA or AS degree from JCCC will be considered to have satisfied Pitt State's general education curriculum.
- Effective Fall 2024: Students who transfer to Pitt State, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting Pitt State's requirements. To learn more about courses that satisfy Pitt State's requirements visit: <https://www.pittstate.edu/registrar/catalog/archive/2024-2025/general-education.html>
- Pitt State General Education guide can be found [here](#).

## Computer Science, BS Requirements with JCCC equivalents

PSU Requirement	Hrs	JCCC Equivalents	Hrs
<b>Core Requirements (35 hours)</b>			
MATH 122 Plane Trigonometry	3	MATH 172 Trigonometry*	3
MATH 212 Matrix Algebra	2	MATH 243 Calculus III*	5
Additional required courses will be taken at Pitt State.			

<b>Select 18 hours:</b>			
MATH 513 Discrete Mathematics	3	CS 210 Discrete Structures I*	3
Additional required courses will be taken at Pitt State.			

**ELECTIVES (32-33 hours) Selected with advisement, to meet 120 hour requirement.**

\* JCCC course has a prerequisite or corequisite.

It is the **STUDENT'S RESPONSIBILITY** to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
